

# MTTI Vaccination Policy

---

- Motoring Technical Training Institute (MTTI) does not require students to be vaccinated.
- For our Medical Assisting and Medical Billing and Coding / Office Administration program, internship site locations may require proof of vaccination. These internship sites are selected by the student & it is the responsibility to the student to provide the institution with the needed vaccination documentation. It is also the responsibility of the student to pay for any costs associated with obtaining needed vaccinations or vaccination documentation.
