

March 16, 2020

We have emailed or called all students regarding tomorrow, March 17, 2020. All of our 9 programs are unique and therefore each will have a different plan for the days ahead. If everyone could check their email it would be greatly appreciated!

IF YOU DID NOT RECEIVE AN EMAIL, please email me, Ali Thompson at athompson@mtti.edu. I will happily resend any information that was not received the first time. I will be checking my email frequently tonight so please use that method of communication as we do not want to miss any messages. Thank you!
